Under 18? Please read

If you're 16 or 17 years old, have a valid driver's license and want to race at New England Dragway you must provide us with a notarized, fully executed Minor Waiver Form. You must call the track at (603) 679-8001 and ask us to mail you a form. The form cannot be a photocopy, nor can it be faxed. Both your parents (or legal guardians) must sign the form, and it must be notarized.

When you come to New England Dragway present the fully executed form at our credentials building. We'll take the form, verify the information against your driver's license and issue a racer wristband. Your name will be kept on file indicating we have a Minor Waiver Form on file. Next time you come to race all you'll need to do is present your driver's license.

Remember, if you're under 18 years of age and want to race, you must follow the steps listed above. No waiver - no race - no exceptions. For more information give us a call at (603) 679-8001. We'll be glad to help you out or answer any questions.
