

Spectators frequently asked question:

Q: Are coolers allowed?

A: *Yes. Coolers must measure 14" or less; about the size of a 6 pack of water. NO glass is allowed. All coolers must be able to fit under your seat.*

Q: Is alcohol allowed:

A: *No. Town of Epping bylaws prohibit alcohol at New England Dragway with one exception. During the NHRA New England Nationals the track is permitted to set up a beer garden for that event. All alcohol must be consumed inside the tent*

Q: Are glass bottle permitted?

A: *No. Glass bottles are not permitted on the property.*

Q: Can we bring Umbrellas?

A: *No due to safety reasons umbrellas are not allowed inside the gates.*

Q: Are dogs allowed?

A: *Although not recommended dogs are allowed. They must be kept on a leash at all times. Please note that except for service animals, dogs are NOT allowed inside the gates during the NHRA New England Nationals.*

Q: When do gates open?

A: *Street nights gates open at 5pm with racing to start at 6pm.*

Most weekend events gates will open at 8am and racing will start at 9am.

Track rental gate opens at 11am and you can start your engines at 1pm.

Q: Can I operate my drone at the track?

A: *No one may operate a drone inside the facility without prior permission from the track's general manager. When requesting to fly a drone anywhere on New England Dragway property the operator must provide the FAA Registration Number for the aircraft, as well as a current FAA UAV Pilot Certificate and liability insurance in the amount of \$1,000,000 that names New England Dragway, Inc., as additionally insured. At no time may a drone be operated over the active race*

surface or above the grandstands. All drone operation must be in compliance with FAA regulations.

Q: Can I take photographs or video at the track?

A: Everyone is welcome to take photographs or video at the track. However, only credentialed media representatives may access restricted areas. Photographs and videos are for personal use only and may not be sold.

Q: Is smoking allowed?

A: Smoking is allowed on the property. You may NOT smoke in the grandstands. The grandstand prohibition applies to all smoking devices including electronic cigarettes, hookahs, etc.
